Subject: ID SECURITY SYSTEM

To whom it may concern,
My name is [redacted], and I have developed a system I believe could effectively stop identity theft. I am seeking to meet people who may assist in developing this system. Since you are interested in discovering a way to stop Identity fraud, I would like to speak with someone from your office who could facilitate the development of the ID SECURITY SYSTEM. Successfully done, this could save the economy up to One Trillion Dollars in less than ten years. I will be anxiously awaiting a response for your office.

Sincerely,
[redacted]
